

Financial Assistance Application Form

Camping and Outdoor Education

OUR CAMPS ARE FOR EVERYONE

At the Y, we believe that every child should have the opportunity to experience camp. Thank to the generous support of donors and various fundraising initiatives year-round, we are able to provide financial assistance for families who otherwise could not afford the experience for their children.

We are able to provide successful applicants with financial assistance up to a maximum of 50% towards one week of overnight camp or two weeks of day camp per child.

HOW FINANCIAL ASSISTANCE IS DETERMINED

Financial assistance is determined using a sliding scale fee up to a maximum of 50% that is based upon your financial capabilities and an agreement that is acceptable to both you and the YMCA-YWCA. We require supporting documentation and we consider special circumstances when assessing your application. Since funds are limited, we will determine eligibility and percentage of financial assistance on an individual family basis.

HOW TO APPLY

Submit the following and a completed registration form, to the Camp Coordinator at the camp location your child(ren) would like to attend. Please attach a separate Camp Registration Form and deposit for each child for whom you are requesting financial assistance.

- Completed Financial Assistance Application Form
- Copy of your most recent Notice of Assessment from Revenue Canada
- Completed Camp Registration Form
- Deposit

Once your application has been received and reviewed, we will contact you to discuss the support the Y can provide and determine your payment options. Please note that all camp balances are due by June 1.

An alternative to this application form is to have a community support professional write a letter on behalf of your family or group to indicate your need for sponsorship. This professional could be a social worker, child and youth worker or school principal.
