Whether on an out trip, on a field, in a gym, or on a climbing wall, staff members emphasize safety in all activities. Counsellors are trained in First Aid and CPR, and lifeguards are nationally certified.

INCLUSION PROGRAMS

We are proud to offer supportive programs for participants with special needs and requirements. This program allows campers the opportunity to participate in our camp programs with additional counsellor support ensuring that their experience is a positive one. Each camper will be assessed independently and assigned, with the help of the

camper's family, a one to one or low ratio camper to counsellor experience within our camp's ability to provide the necessary support that will ensure a healthy and safe learning environment. Please note that space is limited and prices vary depending on programs. Specialty programs are subject to cost of program plus inclusion fees. To learn more, please contact our camp office at 613-832-1234 or day.camps@ymcaywca.ca.

EXTENDED DAY CAMPS

Morning and/or afternoon extended day camp hours are available for an additional fee to accommodate parents'/guardians' schedules. Please see registration information on page 16 to learn more.

This program allows campers the opportunity to participate in our camp programs with additional counsellor support ensuring that their experience is a positive one. Each camper will be assessed independently and registered, with the help of the camper's family, a one to one or low ratio camper to counsellor experience within our camp's ability to provide the necessary support that will ensure a healthy and safe learning environment. Please note that space is limited and prices vary depending on programs. Specialty programs are subject to cost of program plus inclusion fees. To learn more, please contact our camp office at 613-832-1234.
