About Camp Otonabee

Camp Otonabee provides the opportunity for children and youth to engage in outdoor activities and discover the natural world. Campers will acquire new skills, build self-confidence and establish lasting friendships. Campers can choose from specialty camps, out tripping programs, two and four week leadership camps, or participate in our regular day camps - all located just minutes north of Kanata! Camper activities can include canoeing, climbing wall, high ropes, kayaking, swimming, orienteering, nature education, horseback riding and more.

Children can also participate in an overnight camp program. Overnight camp offers a traditional sleep-away camp experience incorporating many of the same great activities as regular day camp, with an overnight component. Children will share a cabin with other campers under the supervision of a camp counsellor, and make new and lasting friendships.

SAFETY

Whether at the waterfront, in camp, on the climbing wall, or on out trips, staff members emphasize safety in all activities. Counsellors are trained in First Aid and CPR, and lifeguards and out trip staff are nationally certified. A Wellness Coordinator is always on site to attend to campers' medical needs

INCLUSION PROGRAMS

We are proud to offer supportive programs for participants with special needs and requirements. This program allows campers the opportunity to participate in our camp programs with additional counsellor support ensuring that their experience is a positive one. Each camper will be assessed independently and assigned, with the help of the camper's family, a one to one or low ratio camper to counsellor experience within our camp's ability to provide the necessary support that will ensure a healthy and safe learning environment. Please note that space is limited and prices vary depending on programs. Specialty programs are subject to cost of program plus inclusion fees. To learn more, please contact our camp office at 613-832- 1234 or day.camps@ymcaywca.ca.

BUSES

Busing to camp is part of the experience! We are pleased to offer campers daily bus transportation to and from Camp Otonabee at no additional cost. Your child must be confirmed and registered for bus service, and must remain on the same bus throughout their time at camp. To learn more, please contact our camp office at 613-832-1234 or visit ymcaywca.ca for bus schedules.

EXTENDED DAY CAMPS

Otonabee Counsellors in Training is a four-week program; this program is meant to build on skills acquired through the Leaders in Training program, but does not require it as a pre-requisite to attend. It is however, helpful to have had some leadership or camp experience prior to enrolling in the program. This 4-week program will expose candidates to the skills that are important to counsellors and community leaders. The first two weeks focuses on group dynamics, behavior management, risk management, and program development. The last two weeks will give campers the opportunity to shadow experienced staff and help deliver programs in a placement. Leaders also have the opportunity to achieve their bronze medallion or bronze cross swimming certification while at camp.

If you would like more information or to discuss this program in greater detail with the camp director, please contact the camp office. **Please note:** space is limited to 12 campers per session.

OTONABEE OVERNIGHT CAMP

AGE: 8Y-14Y

Camp Otonabee is excited to offer an overnight camp program for campers looking to have a traditional experience.

Campers will participate in an exciting outdoor camp experience where they will share a cabin with other campers and their counsellors with 24-hour supervision. Campers are split into four different cabin groups; junior boys (8Y-10Y), junior girls (8Y-10Y), senior boys (11Y-14Y) and senior girls (11Y-14Y).

Campers will participate in some personal choice activities where they can choose their own activities and pick a skill to build on every day in one of the following four areas: Adventure, Water Sports, Arts and Crafts, and Wilderness Craft. At the end of the week campers will receive a report showing the skills they have learned so they can continue to work on them in years to come! All campers share in evening camp fires, evening programs and experience a traditional overnight camp experience.

Sessions see campers arrive on Monday morning and leave Friday at the end of the camp day; overnight campers are welcome to take the Otonabee buses that depart from various locations throughout the city of Ottawa, or may opt to be driven to and from camp on the first and last day. The bus schedule is available at ymcaywca.ca.

Please note: this program is only offered on specific weeks of the summer and space is limited, so register early to avoid disappointment.

A full list of what to bring to camp as well as more information about the program can be found in our Overnight Camping Parent and Camper information guide on our website.
