

Update on Re-opening

Dear Y Member,

The Government of Ontario recently announced that the province will be moving into Step 3 of the [Ontario reopening plan](#) on Friday, July 16, 2021. In Step 3, fitness and recreation facilities are permitted to open with limits and restrictions in place.

We know you are excited to get back to your Y. However, due to significant capacity limits still in place and our capacity as an organization, **the Y has decided to delay re-opening of our health, fitness, and aquatic facilities** in order to focus on supporting children and families in need through our children's camps, childcare, transitional family housing, vaccination clinics, and employment and newcomer services, which will continue to operate in Stage 3.

This decision is not one we have made lightly, but it is one that we have made with the needs of our community in mind. Your Y membership will stay on hold, and no membership fees will be charged while we remain closed.

In the meantime, if you are looking for some online fitness options, remember to visit [YMCA at Home](#) to access free fitness classes and healthy activities for the whole family. [The Bright Spot](#) is also available for senior members looking to connect online.

Thank you for sticking with us, and for being a part of the Y. Have a wonderful summer, and we will reach out again soon with further updates as we develop our re-opening plan! If you have questions, please reach out to our member service team: memberships@ymcaywca.ca

Sincerely,

Your Y Health, Fitness & Aquatics Team
